Democracy (WLTPD to max size when all land is irrigated)	
Economics	Stock Exchange
Explosives	2 or 3 Engineers
When all land is farmland WLTP to max size, then sell Sewer and Aqueduct	
You need 80 shields production to build SS Structural in one turn. This requires a 32 base shield production, so you may need to mine some grassland to forest. Don't forget that you will need some more shields to support your units.	
Railroad	Darwin's Voyage
Automobile	Superhighway
	Factory
	Power Plant
	Offshore Platform if necessary
Computers	Research Lab
Robotics	Manufacturing Plant
Space Flight	Apollo Program
	15 Structural
Plastics	6 Component (3 of each type)
Superconductor	3 Modules (1 of each type)
Fusion Power	Launch Spaceship
