If you don't have prerequisites for a tech then the great person will try and give you the next tech on the list that you can get.

If I didn't have masonry and had meditation, polytheism, priesthood, mysticism, and code of laws then a great prophet would give me civil service as monotheism requires masonry, theology requires monotheism, and divine right requires theology.

e.g. for Great Prophet:
Meditation // Have it
Polytheism // Have it
Priesthood // Have it
Monotheism // Requires masonry
Theology // Requires monotheism
Divine Right // Requires theology
Mysticism // Have it
Masonry (Warlords patch & BTS) // Still playing vanilla Civ4
Code of Laws // Have it
Civil Service // <-----
